Data Courier window will show including the XML and PDF attachments. Enter <u>uad@myvalulink.com</u> as email address for To and your own email address as From. Click **Send**, and you should expect an email notification with the results of processing your UAD file. Please do not respond to that email as it is an automated email.

Report Form List	UAD Review			
0 Error(s) remaining	3 Warning(s) remaining	Continue		
Type Locate	Error Message	Form	Page	Cell
Warning	COMP 1: Sales Price is not within the comparable sales range.	FNMA 1004	2	49
Warning	APPRAISER NAME: Missing	FNMA 1004	3	6
Warning	SUPERVISOR STATE CERT#: Missing	FNMA 1004	3	35

After correcting all errors and warnings, click on Continue.

Click on Create XML and save the file on disk. Then, login to <u>www.vlusers.com</u> and upload the XML file on the order.

The XML may also be attached to an email and sent to uad@myvalulink.com and if there are no UAD errors, the files will automatically be uploaded on the order in vlusers.com. You should expect an email notification with the results of processing your UAD file. Please do not respond to that email as it is an automated email.
